Tacoma Public School Canteen is run by the P&C and relies on volunteers from our school community in order to continue serving Tacoma students. Volunteering is a great way to get involved, meet other parents and friends. If you are interested in volunteering or in finding out more about what is involved please pop into the canteen and fill in your details on a Volunteer Information Form, or email Jo at tacomapublicschool-Canteen@pandcaffiliate.org.au and we will get back to you as soon as possible. All profits from the canteen go to the Tacoma Public School P&C Association and are then used to purchase resources for our children's education.
